

Return Policy

Round One Return Process

At Round One, we strive to provide high-quality automotive products and services. If, for any reason, you are not satisfied with your purchase, our return policy is outlined below

- Products that are purchased from any Round One store that have not been used/installed, can be replaced within Two Weeks of the purchase date, provided in good condition.
- As for Products that have been used/installed on the client's vehicle, they must be returned according to our Warranty Policy.

[Round One Warranty Policy](#)

1. Initiating a Return:

- To initiate a return for a refund or replacement, please contact our customer service team at 81 88 81 81 or visit any of our branches.
- Provide a summary of your problems and our team will gladly address your concerns.

2. Inspection and Processing:

- Our team will inspect your request to ensure it meets the return policy and warranty policy conditions.
- Replacements will be processed immediately when the inspection is completed and approved.
