Technical Warranty

Our Technical Warranty (Defined as Manufacturing Defect) offers comprehensive coverage for all our tire brands. We provide 100% coverage for replacement, and this warranty remains in effect until the tread wear indicators are reached. This means our customers can have peace of mind knowing that they are covered until the very end of their tire's life cycle, regardless of the brand they choose.

Satisfaction Warranty

In the realm of our Satisfaction Warranty, our commitment to customer contentment is paramount. In the event that a customer expresses any concerns, our team will diligently assess the reported issues. Following a meticulous inspection process, which may include a comprehensive test drive, our team will apply the necessary measures to state any valid concerns and provide a 100% coverage within the stipulated one-year timeframe. This warranty is applicable to the selected brands, including Platin, Vredestein, Apollo, Atlas, LingLong, Delium and Rovelo.
